

Dear \_\_\_\_\_,

On Sunday, November 13, I will be participating in the fourth annual **Country Dance-a-Thon** at the Sundance Saloon country-western dance club in San Francisco. For three full hours I will participate in high-energy two-stepping and line dancing for the purpose of raising money for charity! In addition to this being a worthwhile cause, the Country Dance-a-Thon will be a lot of FUN!

This event is a fund-raiser for three nonprofit organizations. **The AIDS Emergency Fund** provides emergency financial assistance to people facing the challenges of living with debilitating HIV, AIDS and breast cancer. **The Positive Resource Center** offers free and confidential disability benefits counseling and employment services for HIV-infected persons who are able to return to work. **The Sundance Association** provides country-western dance instruction and events including the Sundance Saloon and the Sundance Stompede gala weekend, and raises thousands of dollars annually for other charity organizations. Part of the funds will be earmarked for the new performance group of the Sundance Association, the Sundance Bandits.

This event has raised over \$35,000 since it began four years ago. I hope you decide to support me in this great effort.

Checks can be made out to the "AIDS Emergency Fund." If you wish to make a donation with a credit card, there is a form I can make available to you. And of course cash is accepted.

Thank you for your generous support.
